**Summary:** Mike knocks on Nancy's door where Eleven is getting ready for the Snowball. The door opens...but its not El

## **Just a fantasy**

Mike looked at himself in the mirror and smiled. Mike was wearing a fancy white tuxedo with black shoes and a black tie. He was going to the snowball with El. He opened his door and walked up the basement stairs. Finally, he arrived in front of Nancy's room, where El was getting ready. He knocked on the door, excited. The door opened and there standing in front of him was the demogorgan! It roared angrily and reached for Mike, the lights flickering.

Mike woke up, crying. It was just a dream...
